CONNECTING TECHNOLOGIES, CREATING VALUE

—OPENING NEW MARKETS THROUGH TECHNOLOGY PROPOSALS—

Evolving market demands and global competition create both opportunities and uncertainty for manufacturers. Sustainable growth requires going beyond existing business boundaries and connecting technologies to create new value.

This exhibition showcases advanced manufacturing technologies—from dies, molds, and metal forming to precision machining and 3D printing. Through cross-industry exchange and business matching, it offers opportunities to discover new applications, meet emerging needs, and generate new business.

EMPOWERING CHANGE

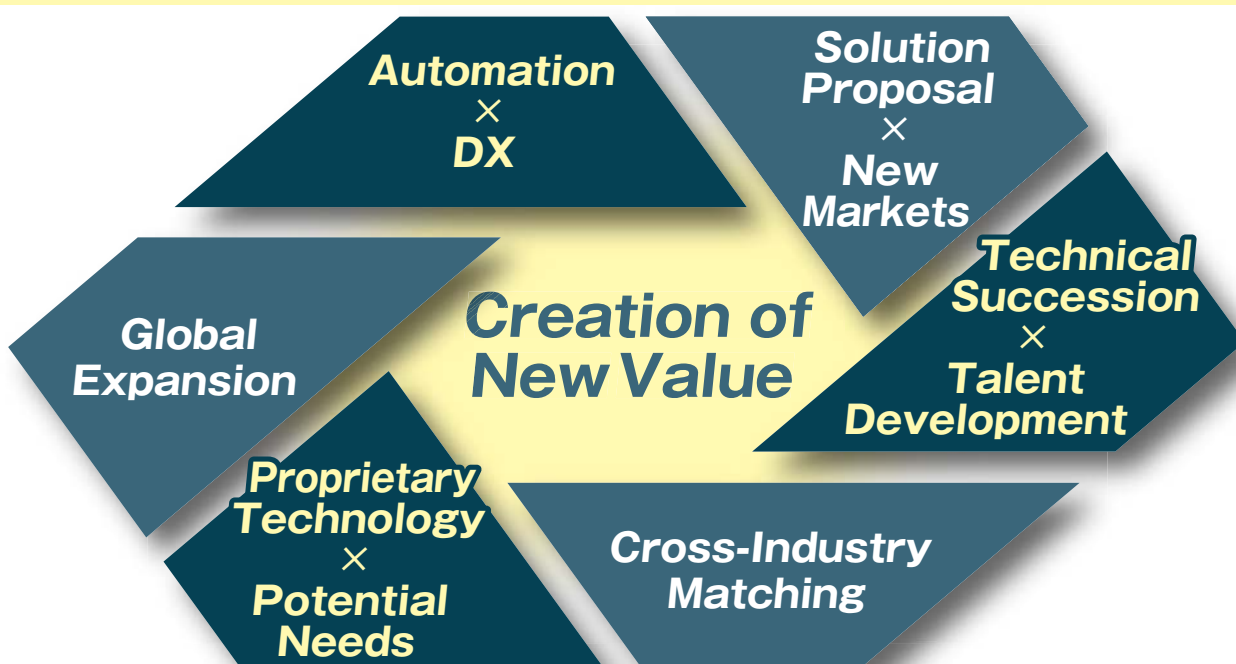

— TRADITION AND INNOVATION FOR THE GLOBAL STAGE —

“Why INTERMOLD ?”

- 1** A specialized exhibition for the manufacturing industry, focusing on die and mold technology, metal stamping, component machining, and ultra-precision processing.
- 2** With a history of over 40 editions, our exhibition is recognized as a definitive event for professionals in the manufacturing sector.
- 3** We host exhibitions in Japan’s three key industrial hubs: Tokyo, Osaka, and Nagoya.
Note: Held in Tokyo in odd years, Osaka and Nagoya in even years.
- 4** Supported by leading industry associations, our fair facilitates high-value cross-industry collaboration and business matchmaking.
- 5** Our event offers abundant opportunities for professional engagement, including networking receptions held during the exhibition.
- 6** Gateway to the Asian Market

FADMA (Federation of Asian Die and Mold Associations) International Conference to be held in Japan!

Established in 1992, FADMA is an international organization dedicated to the development and information exchange of the Asian die and mold industry. The upcoming international conference, where representatives from participating countries will gather to discuss current trends and industry challenges, will be held concurrently with our exhibition. We are also planning a tour of the exhibition floor for delegation members from die and mold associations in China, South Korea, Thailand, India, and Hong Kong—providing a prime opportunity to promote your business to visitors from across Asia.

BUSINESS SEMINARS/BUSINESS MEETING PROGRAMS

Various business seminars have been arranged in INTERMOLD. We invite foreign participants/associations who are interested in organizing their own business meeting to build relations with our exhibitors, including the member of Japan Die and Mold Industry Association and Japan Metal Stamping Association or visitors.
